Risk and Reward Profile

Lower risk — **Higher risk**

Potentially lower rewards — **Potentially higher rewards**

1	2	3	**4**	5	6	7

This indicator represents the annual historical volatility of the Fund over a 5-year period. Its aim is to help investors understand the uncertainties attached to gains and losses that may have an impact on their investment.

The Fund's diversified exposure to interest rate and foreign currency risks explains its classification in this category.

Historical data such as that used to calculate the synthetic indicator cannot be considered as a reliable indication of the Fund's future risk profile.

The risk category associated with the Fund is not guaranteed and may change over time. The lowest risk category does not mean "risk free". Your initial investment is not guaranteed.

Significant risk(s) for the Fund not taken into account in this indicator include the following:

Credit Risk: The Fund invests a substantial portion of its assets in bonds. The issuers may become insolvent, whereby the bonds may lose a major part of their value or their value entirely.

Liquidity Risk: Risk related to a limited market activity that could not allow the Fund to sell or buy underlying investments in suitable conditions.

Counterparty Risk: The Fund primarily concludes derivatives trades with various contracting parties. There is a risk that counterparties may no longer be able to honour their payment or settlement obligations.

Derivative Risk: The Fund uses derivative instruments to achieve higher performance through speculation on rising or falling prices. Increased opportunities may lead to increased risk of losses.

Operational Risk and Depositary Risk: The Fund may fall victim to fraud or other criminal acts. It may also incur losses due to misunderstandings or errors by employees of the management company, the depositary or external third parties. Finally, its' management or the custody of its' assets can be adversely affected by external events such as fires, natural disasters etc.

For more information about the risks of the Fund, please refer to the risk section of the prospectus.
