

Key Investor Information

This document provides you with key investor information about this Fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this Fund. You are advised to read it so you can make an informed decision about whether to invest.

Russia Equity, a subfund of the SICAV BNP Paribas Funds, short named as BNP Paribas

Class "Classic USD Capitalisation" - ISIN code LU0823431563

This Fund is managed by BNP PARIBAS ASSET MANAGEMENT Luxembourg, part of the BNP Paribas Group.

Objectives and investment policy

Este Fondo se gestiona de manera activa. El índice de referencia MSCI Russia 10/40 (NR) se utiliza únicamente para comparar la rentabilidad. El Fondo no está limitado por el índice de referencia y su rentabilidad puede diferir considerablemente de la de dicho índice.

El Fondo trata de incrementar el valor de sus activos a medio plazo invirtiendo en acciones emitidas por empresas de Rusia o que operen en dicho país.

El equipo de inversiones aplica asimismo la Política de inversión sostenible de BNP PARIBAS ASSET MANAGEMENT, que tiene en cuenta los criterios ambientales, sociales y de gobernanza (ESG, por sus siglas en inglés) en cada etapa del proceso de inversión del Fondo, incluidos, entre otros, la reducción de las emisiones de gases de efecto invernadero, el respeto de los derechos humanos o el respeto de los derechos de los accionistas minoritarios. Una estrategia extrafinanciera puede incluir limitaciones metodológicas, como el riesgo de inversión ESG definido por el gestor de activos. Los criterios ambientales, sociales y de gobernanza (ESG) contribuyen a la toma de decisiones del gestor, pero no constituyen un factor determinante.

Los ingresos se reinvierten sistemáticamente.

Los inversores podrán efectuar reembolsos diariamente (los días hábiles bancarios en Luxemburgo), como se describe en el folleto.
