Fidelity Multi Asset Open Defensive Fund

a sub-fund of Fidelity Investment Funds IV

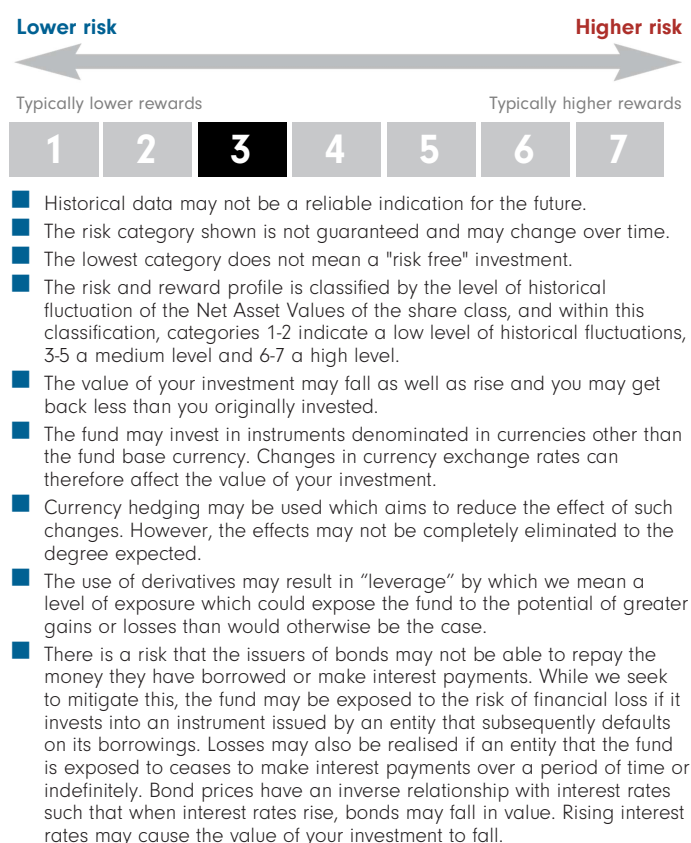

W Accumulation Shares (ISIN: GB00BC7G XK56)

This fund is managed by FIL Investment Services (UK) Limited

Objectives and Investment Policy

- The fund aims to deliver an average 4% increase in the value of your investment per year, after the deduction of ongoing fund charges, over a period of 5-7 years. There is no guarantee that the target will be achieved by the fund.
- The fund will invest at least 70% in funds (including funds managed by Fidelity) and aims to maintain an allocation as follows: 0-35% company shares, 15-100% debt instruments (e.g. bonds, which may include high yield i.e. bonds with a rating of BBB/Baa or lower from an internationally recognised ratings agency, and emerging market debt), 0-30% cash and 0-30% alternatives (such as property and infrastructure).
- The fund typically invests more than 65% in sub-funds of an Irish UCITS Fund (Fidelity Common Contractual Fund II) operated by Fidelity which subsequently use the experience and specialisms of several investment management companies (which may include Fidelity) to manage the underlying assets.
- The remainder will be invested in other investment types such as cash and derivatives.
- Derivatives are investments whose value is linked to another investment, or to the performance of a stock exchange or to some other variable factor, such as interest rates and used to reduce risk or transaction costs and/or to generate extra income or further increase the value of your investment.
- The fund may also use derivatives with the aim of achieving the investment objective.
- The fund is actively managed without reference to a benchmark.
- The fund has full discretion in its choice of investments within its objectives and policy, but its allocation must remain within the ranges, outlined above, in all market conditions.
- Income earned by the fund is paid into the fund and reflected by an increase in the value of each share.
- Shares can usually be bought and sold each business day of the fund.
