

PROSPECTUS DATED 30 NOVEMBER 2018

HSBC HOLDINGS PLC

*(a company incorporated with limited liability in England with registered number 617987)
as Issuer*

EUR 1,250,000,000 1.50 per cent. Fixed to Floating Rate Notes due 2024 (the "Notes")

This document (which expression shall include all documents incorporated by reference herein) has been prepared for the purpose of providing disclosure information with regard to the Notes issued by HSBC Holdings plc (the "**Issuer**") and has been approved by the United Kingdom Financial Conduct Authority (the "**FCA**"), which is the United Kingdom competent authority for the purposes of Directive 2003/71/EC, as amended or superseded (the "**Prospectus Directive**") and relevant implementing measures in the United Kingdom, as a prospectus ("**Prospectus**").

The Notes will be issued under the Issuer's Debt Issuance Programme (the "**Programme**").

Application will be made to admit the Notes to listing on the Official List of the FCA (in its capacity as competent authority for the purposes of Part VI of the Financial Services and Markets Act 2000 (the "**UK Listing Authority**")), and to trading on the regulated market of the London Stock Exchange plc (the "**London Stock Exchange**"), which is a regulated market for the purposes of the Markets in Financial Instruments Directive 2014/65/EU, as amended ("**MiFID II**").

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the "**Securities Act**"), or the state securities laws of any state of the United States, and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons as defined in Regulation S under the Securities Act ("**Regulation S**") except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act.

The Notes are in bearer form and are subject to U.S. tax law requirements.

The Notes have been assigned the following long-term credit ratings: A by Standard & Poor's Credit Market Services Europe Limited ("**Standard & Poor's**"); A2 by Moody's Investors Service Limited ("**Moody's**"); and AA- by Fitch Ratings Limited ("**Fitch**"). Each of Standard & Poor's, Moody's and Fitch is established in the European Union and is registered under Regulation (EC) No. 1060/2009, as amended (the "**CRA Regulation**"). As such, each of Standard & Poor's, Moody's and Fitch is included in the list of credit rating agencies published by the European Securities and Markets Authority on its website in accordance with the CRA Regulation. **A security rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning rating agency.**

Investing in the Notes involves certain risks. Investors should consider carefully the risk factors set forth or referred to in the section headed "Risk Factors" below.

The Issuer accepts responsibility for the information contained in this Prospectus. To the best of the knowledge of the Issuer, which has taken all reasonable care to ensure that such is the case, the information contained in this Prospectus is in accordance with the facts and does not omit anything likely to affect the import of such information.

The Issuer does not intend to provide post-issuance information.

None of HSBC Bank plc, Banca IMI S.p.A, BB Securities Limited, CaixaBank, S.A., Citigroup Global Markets Limited, Coöperatieve Rabobank U.A., Crédit Agricole Corporate and Investment Bank, Danske Bank A/S, Landesbank Baden-Württemberg, Morgan Stanley & Co. International plc, and Nordea Bank Abp (together, the "**Managers**") or The Law Debenture Trust Corporation p.l.c. (the "**Trustee**", which expression shall include any successor to The Law Debenture Trust Corporation p.l.c. as trustee under the trust deed dated 28 June 2000 between the Issuer and the Trustee (such Trust Deed as last modified and restated by a modified and restated trust deed dated 6 March 2018 and as further modified and/or supplemented and/or restated from time to time, the "**Trust Deed**")) has separately verified the information contained herein. Accordingly, no representation, warranty or undertaking, express or implied, is made and no responsibility is accepted by the Managers or the Trustee as to the accuracy or completeness of this Prospectus or any document incorporated by reference herein or any further information supplied in connection with the Notes. The Managers and the Trustee accept no liability in relation to this Prospectus or its distribution or with regard to any other information supplied by or on behalf of the Issuer.

No person has been authorised to give any information or to make any representation not contained in or not consistent with this Prospectus or any further information supplied in connection with the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer, the Trustee or any of the Managers.

Neither this Prospectus nor any further information supplied in connection with the Notes should be considered as a recommendation or as constituting an invitation or offer by the Issuer, the Trustee or any of the Managers that any recipient of this Prospectus or any other information supplied in connection with the Notes should subscribe for or purchase the Notes. Each investor contemplating subscribing for or purchasing the Notes should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the Issuer. Neither this Prospectus nor any other information supplied in connection with the Notes constitutes an offer by or on behalf of the Issuer, the Trustee or any Manager to subscribe for or purchase the Notes.

Neither the delivery of this Prospectus nor the offering, sale or delivery of the Notes shall, in any circumstances, create any implication that there has been no change in the affairs of the Issuer since the date hereof, or that the information contained in this Prospectus is correct at any time subsequent to the date hereof or that any other written information delivered in connection herewith or therewith is correct as of any time subsequent to the date indicated in such document. The Managers and the Trustee expressly do not undertake to review the financial condition or affairs of the Issuer or its subsidiary undertakings during the life of the Notes.

The distribution of this Prospectus and the offer, distribution or sale of Notes may be restricted by law in certain jurisdictions. Persons into whose possession this Prospectus or the Notes come must inform themselves about, and observe, any such restrictions. For a description of certain restrictions on offers, sales and deliveries of the Notes and on the distribution of this Prospectus, see the "Subscription and Sale" section of the Base Prospectus incorporated by reference herein (and, for these purposes, references therein to the Base Prospectus shall be deemed to include this Prospectus).

NEITHER THE SECURITIES AND EXCHANGE COMMISSION (THE "**SEC**") NOR ANY OTHER REGULATORY BODY HAS APPROVED OR DISAPPROVED OF THESE SECURITIES OR PASSED UPON THE ADEQUACY OR ACCURACY OF THIS PROSPECTUS. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENCE.

The Notes may not be a suitable investment for all investors. The Notes may be purchased by investors as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. Each potential investor in the Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (a) have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risk of investing in the Notes and the information contained or incorporated by reference in this Prospectus or any applicable supplement;
- (b) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact such investment will have on its overall investment portfolio;
- (c) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes or where the currency for principal or interest payments is different from the currency in which such investor's financial activities are principally denominated;
- (d) understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- (e) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent: (1) the Notes are legal investments for it; (2) the Notes can be used as collateral for various types of borrowing; and (3) other restrictions apply to its purchase or pledge of the Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of the Notes under any applicable risk-based capital or similar rules.

MiFID II product governance / target market – The Final Terms in respect of the Notes include a legend entitled "MiFID II Product Governance" which outlines the target market assessment in respect of the Notes and which channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

Notwithstanding any provision herein, every person (and each employee, representative or other agent of such person) may disclose to any and all other persons, without limitation of any kind, any information provided to him by or on behalf of the Issuer relating to the U.S. tax treatment and U.S. tax structure of transactions under the Programme and all materials of any kind (including opinions or other tax analyses) that are provided by or on behalf of the Issuer to that person relating to such U.S. tax treatment and U.S. tax structure.

In connection with the issue of the Notes, HSBC Bank plc in its capacity as Stabilisation Manager (or person(s) acting on its behalf in such capacity) may over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, stabilisation may not necessarily occur. Any stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the Notes is made and, if begun, may cease at any time, but it must end no later than the earlier of 30 days after the issue date of the Notes and 60 days after the date of the allotment of the Notes. Any stabilisation action or over-allotment must be conducted by the Stabilisation Manager (or person(s) acting on behalf of the Stabilisation Manager) in accordance with the applicable laws and rules.

SERVICE OF PROCESS AND ENFORCEMENT OF LIABILITIES

The Issuer is an English public limited company. Most of its directors and executive officers (and certain experts named in this Prospectus or in documents incorporated herein by reference) are resident outside the United States and a substantial portion of its assets and the assets of such persons are located outside the United States. As a result, it may not be possible for investors to effect service of process within the United States upon these persons or to enforce against them or the Issuer in U.S. courts judgments obtained in U.S. courts predicated upon the civil liability provisions of the federal securities laws of the United States. In addition, there is doubt as to enforceability in the English courts, in original actions or in actions for enforcement of judgments of U.S. courts, of liabilities predicated solely upon the federal securities laws of

the United States. Awards of punitive damages in actions brought in the United States or elsewhere may not be enforceable in England. The enforceability of any judgment in England will depend on the particular facts of the case in effect at the time.

RISK FACTORS

Any investment in the Notes is subject to a number of risks. Prior to investing in the Notes, prospective investors should carefully consider risk factors associated with any investment in the Notes, the business of the Issuer and the industry in which it operates together with all other information contained in this Prospectus, including, in particular, the risk factors described below and contained in the Registration Document of the Issuer dated 6 March 2018 and the Base Prospectus (as defined below), each incorporated by reference herein. The Issuer considers such risk factors to be the principal risk factors that may affect the Issuer's ability to fulfil its obligations under the Notes and/or risk factors that are material for the purposes of assessing the market risk associated with the Notes. Words and expressions defined in the Terms and Conditions of the Notes or elsewhere in this Prospectus have the same meanings in this section.

The following is not an exhaustive list or explanation of all risks which investors may face when making an investment in the Notes and should be used as guidance only. Additional risks and uncertainties relating to the Issuer or the Notes that are not currently known to the Issuer, or that the Issuer currently deems immaterial, may individually or cumulatively also have a material adverse effect on the business, prospects, results of operations and/or financial position of the Issuer and its subsidiaries, the value of the Notes and, if any such risk should occur, the price of the Notes may decline and investors could lose all or part of their investment. Investors should consider carefully whether an investment in the Notes is suitable for them in light of the information in this Prospectus and their personal circumstances.

Risks relating to the Issuer

The section entitled "Risk Factors" on pages 98 to 106 of the Annual Report of the Issuer for the year ended 31 December 2017 on Form 20-F dated 20 February 2018 filed with the U.S. Securities and Exchange Commission (as set out at: <http://www.hsbc.com/-/media/hsbc-com/investorrelationsassets/hsbc-results/2017/annual-results/hsbc-usa-inc/180220-form-20-f.pdf>) (the "**Form 20-F**"), as incorporated by reference herein on page 3, sets out a description of the risk factors that may affect the ability of the Issuer to fulfil its obligations to investors in relation to the Notes.

Risks relating to the Notes

The sections of the Base Prospectus entitled "*Risks relating to particular Notes*" and "*Risks relating to Notes generally*" on pages 1 to 4 and 4 to 10, respectively, of the Base Prospectus dated 6 March 2018 relating to the Programme (the "**Base Prospectus**"), as incorporated by reference herein on page 3, set out a description of the risk factors that are material to the Notes in order to assess the market risk associated with the Notes. The section entitled "*Risks relating to particular Notes*" shall be supplemented to include the following risk factor relating to the Notes:

The use of proceeds of the Notes may not meet investor expectations or requirements.

The Issuer will exercise its judgement and sole discretion in determining the businesses and projects that will be financed by the proceeds of the Notes. If the use of the proceeds of the Notes is a factor in an investor's decision to invest in the Notes, they should consider the disclosure in "*Reasons for the Offer*" in the Final Terms set out herein and consult with their legal or other advisers before making an investment in the Notes. There can be no assurance that any of the businesses and projects funded with the proceeds from the Notes will meet HSBC's Green Bond Framework dated 6 November 2015 (the "**Framework**") or an investor's expectations or requirements. Furthermore, there is no contractual obligation to allocate the proceeds of the Notes to finance eligible businesses and projects or to provide annual progress reports as described in "*Reasons for the Offer*". The Issuer's failure to so allocate or report, the failure of any of the businesses and projects funded with the proceeds from the Notes to meet the Framework, or the failure of external assurance providers to opine on the Green Progress Report's (as defined in "*Reasons for the Offer*" in the Final Terms set out herein) conformity with the Framework, will not constitute a Default (as defined in the Trust Deed) with respect to the Notes and may affect the value of the Notes and/or have adverse consequences for certain investors with portfolio mandates to invest in green assets.

Furthermore, it should be noted that there is currently no clearly-defined definition (legal, regulatory or otherwise) of, nor market consensus as to what constitutes, a "green" or "sustainable" or an equivalently-labelled project or as to what precise attributes are required for a particular project to be defined as "green" or "sustainable" or such other equivalent label nor can any assurance be given that such a clear definition or consensus will develop over time. Accordingly, no assurance is or can be given to investors that any

projects or uses the subject of, or related to, any of the businesses and projects funded with the proceeds from the Notes will meet any or all investor expectations regarding such "green", "sustainable" or other equivalently-labelled performance objectives or that any adverse environmental, social and/or other impacts will not occur during the implementation of any projects or uses the subject of, or related to, any of the businesses and projects funded with the proceeds from the Notes.

No assurance or representation is given as to the suitability or reliability for any purpose whatsoever of any opinion or certification of any third party (whether or not solicited by the Issuer) which may be made available in connection with the issue of the Notes and in particular with any of the businesses and projects funded with the proceeds from the Notes to fulfil any environmental, sustainability, social and/or other criteria. For the avoidance of doubt, any such opinion or certification is not, nor shall be deemed to be, incorporated in and/or form part of this Prospectus. Any such opinion or certification is not, nor should be deemed to be, a recommendation by the Issuer or any other person to buy, sell or hold the Notes. Any such opinion or certification is only current as at the date that opinion was initially issued. Prospective investors must determine for themselves the relevance of any such opinion or certification and/or the information contained therein and/or the provider of such opinion or certification for the purpose of any investment in the Notes. The providers of such opinions and certifications are not currently subject to any specific regulatory or other regime or oversight.

If the Notes are at any time listed or admitted to trading on any dedicated "green", "environmental", "sustainable" or other equivalently-labelled segment of any stock exchange or securities market (whether or not regulated), no representation or assurance is given by the Issuer or any other person that such listing or admission satisfies, whether in whole or in part, any present or future investor expectations or requirements as regards any investment criteria or guidelines with which such investor or its investments are required to comply, whether by any present or future applicable law or regulations or by its own by-laws or other governing rules or investment portfolio mandates, in particular with regard to any direct or indirect environmental, sustainability or social impact of any projects or uses, the subject of or related to, any of the businesses and projects funded with the proceeds from the Notes. Furthermore, it should be noted that the criteria for any such listings or admission to trading may vary from one stock exchange or securities market to another. Nor is any representation or assurance given or made by the Issuer or any other person that any such listing or admission to trading will be obtained in respect of the Notes or, if obtained, that any such listing or admission to trading will be maintained during the life of the Notes.
