2. BASIS OF PRESENTATION

These consolidated financial statements have been prepared in conformity with the format of financial statements prescribed by the State Bank of Pakistan (SBP) vide BPRD Circular No. 5 dated March 22, 2019.

In accordance with the directives of the Federal Government regarding the shifting of the banking system to Islamic modes, the State Bank of Pakistan (SBP) has issued various circulars from time to time. Permissible forms of trade-related modes of financing include purchase of goods by banks from their customers and immediate resale to them at appropriate markup in price on deferred payment basis. The purchases and sales arising under these arrangements are not reflected in these consolidated condensed interim financial statements as such, but are restricted to the amount of facility actually utilized and the appropriate portion of mark-up thereon. However, the Islamic Banking branches of the Bank have complied with the requirements set out under the Islamic Financial Accounting Standards issued by the Institute of Chartered Accountants of Pakistan and notified under the provisions of the Companies Act, 2017.

Key financial figures of the Islamic Banking branches are disclosed in note 40 to these consolidated condensed interim financial statements.

3. STATEMENT OF COMPLIANCE

- **3.1** These consolidated condensed interim financial statements of the Group have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:
 - International Accounting Standard (IAS) 34, Interim Financial Reporting, issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
 - Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan as are notified under the Companies Act, 2017;
 - Provisions of and directives issued under the Banking Companies Ordinance, 1962;
 - Provisions of and directives issued under the Companies Act, 2017; and
 - Directives issued by the State Bank of Pakistan (SBP) and the Securities and Exchange Commission of Pakistan (SECP).

Wherever the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 or the directives issued by the SBP and the SECP differ with the requirements of IFRS or IFAS, the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 and the said directives prevail.

- **3.2** The SBP vide BSD Circular letter No. 10, dated August 26, 2002 has deferred the applicability of International Accounting Standard 39, Financial Instruments: Recognition and Measurement and International Accounting Standard 40, Investment Property for banking companies till further instructions. Moreover, SBP vide BPRD circular no. 4, dated February 25, 2015 has deferred the applicability of Islamic Financial Accounting Standards (IFAS) 3, Profit and Loss Sharing on Deposits. Further, according to the notification of the SECP issued vide SRO 411(I)/2008 dated April 28, 2008, International Financial Reporting Standard (IFRS) 7, Financial Instruments: Disclosures has not been made applicable for banks. Accordingly, the requirements of these standards have not been considered in the preparation of these consolidated condensed interim financial statements. However, investments have been classified and valued in accordance with the requirements of various circulars issued by the SBP.
- **3.3** SECP vide its notification SRO 633 (I)/2014 dated 10 July 2014, adopted IFRS 10 effective from the periods starting from 30 June 2014. However, vide its notification SRO 56 (I)/2016 dated 28 January 2016, it has been notified that the requirements of IFRS 10 and section 237 of the repealed Companies Ordinance 1984 will not be applicable with respect to the investment in mutual funds established under trust structure.
- **3.4** The disclosures made in these consolidated condensed interim financial statements have been limited based on a format prescribed by the SBP vide BPRD Circular Letter No. 5 dated March 22, 2019 and IAS 34, Interim Financial Reporting. They do not include all the disclosures required for annual financial statements, and these consolidated condensed interim financial statements should be read in conjunction with the consolidated financial statements of the Group for the year ended December 31, 2018.

3.5 Standards, interpretations and amendments to accounting and reporting standards that are not yet effective

The following new standards and interpretations of and amendments to existing accounting and reporting standards will be effective from the dates mentioned below against the respective standard, interpretation or amendment:

Standard, Interpretation or Amendment	Effective date (annual periods beginning on or after)
IFRS 3 - Definition of a Business (Amendments)	January 01, 2020
IAS 1 - Presentation of Financial Statements (Amendments)	January 01, 2020
IAS 8 - Accounting Policies, Changes in Accounting Estimates and Errors (Amendments)	January 01, 2020

Effective date (periods ending on or after) June 30, 2019

IFRS 9 - Financial Instruments: Classification and Measurement

The SECP, through SRO 229(I)/2019 dated February 14, 2019, has notified that IFRS 9, Financial Instruments, is applicable for accounting periods ending on or after June 30, 2019. However, based on the guidance received from the SBP, the requirements of IFRS 9 have not been considered for Pakistan operations of the Group in preparation of these consolidated condensed interim financial statements.

IFRS 9: 'Financial Instruments' addresses recognition, classification, measurement and derecognition of financial assets and financial liabilities. The standard has also introduced a new impairment model for financial assets which requires recognition of impairment charge based on an 'Expected Credit Losses' (ECL) approach rather than the 'incurred credit losses' approach as currently followed. The ECL has impact on all assets of the Group which are exposed to credit risk. The Group has already adopted IFRS 9 in respect of certain overseas branches and a subsidiary.

The Bank is in the process of assessing the full impact of this standard.

There are certain new and amended standards and interpretations that are mandatory for the Group's accounting periods beginning on or after January 1, 2020 but are considered not to be relevant or do not have any significant effect on the Group's operations and are therefore not detailed in these consolidated condensed interim financial statements.

3.6 Standards, interpretations and amendments to accounting and reporting standards that have become effective in the current period

During the current period, IFRS 16, Leases, became effective from annual periods beginning on or after January 01, 2019. The impact of the adoption of IFRS 16 on the Group's consolidated condensed interim financial statements is disclosed in note 4.1.1.

There are certain other new standards and interpretations of and amendments to existing accounting standards that have become applicable to the Group for accounting periods beginning on or after January 1, 2019. These are considered either not to be relevant or not to have any significant impact on the Group's condensed interim financial statements.

4. SIGNIFICANT ACCOUNTING POLICIES AND FINANCIAL RISK MANAGEMENT

The accounting policies adopted in the preparation of these consolidated condensed interim financial statements are 4.1 consistent with those applied in the preparation of the consolidated financial statements of the Group for the year ended December 31, 2018, except for the following:

4.1.1 Impact of IFRS 16 - Leases

During the period, IFRS 16 - Leases became applicable to the Banks. IFRS 16 replaces existing guidance on accounting for leases, including IAS 17, Leases, IFRIC 4, Determining whether an Arrangement contains a Lease, SIC-15, Operating Leases - Incentive, and SIC-27, Evaluating the Substance of Transactions Involving the Legal Form of a Lease. IFRS 16 introduces an on-balance sheet lease accounting model for leases entered by the lessee. A lessee recognizes a right-ofuse asset representing its right of using the underlying asset and a corresponding lease liability representing its obligations to make lease payments. Lessor accounting remains similar to the current standard i.e. lessors continue to classify leases as either finance or operating leases.

The Bank has adopted IFRS 16 from January 1, 2019 using the modified retrospective restatement approach and has not restated comparatives for the 2018 reporting period, as permitted under the specific transitional provisions in the standard.

On adoption of IFRS 16, the Bank has recognised liabilities in respect of leases which had previously been classified as operating leases under IAS 17. These liabilities were initially measured as the present value of the remaining lease payments, discounted using the Bank's incremental weighted average borrowing rate of 14.03% per annum at January 1, 2019. The lease liability is subsequently measured at amortised cost using the effective interest rate method.

	June 30,	January 01,	
	2019	2019	
	(Rupee	s in '000)	
Total lease liability recognised	7,181,069	7,577,402	

On adoption of IFRS 16, the associated right-of-use assets were measured at the amount equal to the lease liability, adjusted by the amount of prepaid lease payments recognised in the consolidated statement of financial position immediately before the date of initial application.

The right-of-use assets recognised subsequent to the adoption are measured based on the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred. The right-of-use assets are depreciated on a straight line basis over the lease term as this method most closely reflects the expected pattern of consumption of future economic benefits. The right-of-use assets are reduced by impairment losses, if any, and adjusted for certain remeasurements of lease liability.

The recognised right-of-use assets relate to the following type of asset:

	June 30,	January 01,	
	2019	2019	
	(Rupee	s in '000)	
Land and building	6,996,445	7,828,194	
The effect of this change in accounting policy is as follows:			

Impact on Consolidated Condensed Interim Statement of Financial Position

Increase in fixed assets - right-of-use assets 6,996,445 7,828,194 Decrease in other assets - advances, deposits, advance rent and other prepayments (195, 487)(250,792)Increase in other assets - advance taxation 148,243 6,949,201 Increase in total assets 7 577 402 Increase in other liabilities - lease liability against right-of-use assets (7, 181, 069)(7,577,402)(231, 868)Decrease in net assets

	January - June 2019 (Rupees in '000)
Impact on Consolidated Condensed Interim Profit and Loss account	
Increase in mark-up expense - lease liability against right-of-use assets	(503,459)
(Increase) / decrease in administrative expenses:	-
- Depreciation on right-of-use assets	(1,018,176)
- Rent expense	1,141,524
Decrease in profit before tax	(380,111)
Decrease in tax	148,243
Decrease in profit after tax	(231,868)

Earnings per share for the six months ended June 30, 2019 are Re 0.19 per share lower as a result of the adoption of IFRS 16.

While implementing IFRS 16, the Group has used a single discount rate methodology for a portfolio of leases with similar characteristics. The Group has opted not to recognise right-of-use assets for leases of low value. The payments associated with such leases are recognised as an expense on a straight line basis over the lease term.

4.1.2 The State Bank of Pakistan (SBP) through its BPRD Circular No. 5 dated March 22, 2019 has amended the format of quarterly and half yearly financial statements of banks. All banks are directed to prepare their quarterly financial statements on the revised format effective from accounting year starting from January 1, 2019. Accordingly, the Group has prepared these consolidated condensed interim financial statements on the new format prescribed by the State Bank of Pakistan.

- Consolidated Condensed Interim Profit and Loss Account

As a result of adoption of the revised format, the figures for the quarter and half year ended June 30, 2018 in the consolidated condensed interim profit and loss account have been reclassified and reflected based on the requirements of the revised format.

- Consolidated Condensed Interim Statement of Comprehensive Income

As a result of adoption of the revised format, the figures for the quarter and half year ended June 30, 2018 in the consolidated condensed interim statement of comprehensive income have been restated to incorporate the effect of movement in surplus on revaluation of fixed assets and non-banking assets.

The financial risk management objectives and policies are consistent with those disclosed in the consolidated financial statements of the Group for the year ended December 31, 2018.

5. BASIS OF MEASUREMENT

5.1 These consolidated condensed interim financial statements have been prepared under the historical cost convention except that certain operating fixed assets / non-banking assets acquired in satisfaction of claims have been stated at revalued amounts, certain investments and derivative financial instruments have been stated at fair value and net obligations in respect of defined benefit schemes and lease liability under IFRS 16 are carried at their present values.

5.2 Judgements and estimates

The preparation of these consolidated condensed interim financial statements in conformity with accounting and reporting standards requires management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities and income and expenses. It also requires management to exercise judgment in the application of its accounting policies. The estimates and assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

The significant judgments made by management in applying its accounting policies and the key sources of estimation uncertainty were the same as those applied to the consolidated financial statements of the Group for the year ended December 31, 2018.

NOTES TO THE CONSOLIDATED CONDENSED INTERIM FINANCIAL STATEMENTS (UN-AUDITED) FOR THE SIX MONTHS ENDED JUNE 30, 2019

15.1 The Income Tax returns of the Bank have been filed up to the tax year 2018 (accounting year ended December 31, 2017) and were deemed to be assessed under section 120 of the Income Tax Ordinance, 2001 (Ordinance) unless amended by the Commissioner of Inland Revenue.

The income tax authorities have issued amended assessment orders for the tax years 2003 to 2018, and created additional tax demands (including disallowances of provisions made prior to Seventh Schedule) of Rs.11,591 million (December 31 2018: Rs.13,119 million), which have been fully paid as required under the law. The Bank has filed appeals before the various appellate forums against these amendments. Where the appellate authorities have allowed relief on certain issues, the assessing authorities have filed appeals before higher appellate forums. Where the appellate authorities have not allowed relief the Bank has filed appeals before higher appellate forums. The management of the Bank is confident that the appeals will be decided in favor of the Bank.

The tax returns for Azad Kashmir (AK) and Gilgit Baltistan (GB) Branches have been filed upto the tax year 2018 (financial year 2017) under the provisions of section 120(1) read with section 114 of the Ordinance and in compliance with the terms of the agreement between banks and the Azad Kashmir Council in May 2005. The returns filed are considered as deemed assessment orders under the law.

The tax authorities have also carried out monitoring for Federal Excise Duty, Sales tax and withholding taxes covering period from year ended 2007 to 2017. Consequently various addbacks and demands were raised creating a total demand of Rs. 889 million (2018: Rs. 995 million). The Bank has filed appeals against all such demands and is confident that these would be decided in the favor of the Bank.

The tax returns for Yemen, Qatar and UAE branches have been filed upto the year ended December 31, 2018 under the provisions of the laws prevailing in the respective countries, and are deemed as assessed unless opened for reassessment.

The Bank has received corrective tax assessment of QAR 1 M (Rs: 43.958 million) from the General tax Authority (GTA) in respect of tax year 2004 with no supporting calculations from GTA. Management has requested details for 2004 assessment from GTA, however to date no response has been received. Management is confident that the matters will be decided in favour of the Bank and the possibility of any outcome against it is remote.

For UBL UK, UBTL, UBL FM and UET income tax returns have been filed up to the accounting year ended December 31, 2018 and for USAG these returns have been filed up to the accounting year ended December 31, 2017 under the provisions of the laws prevailing in the respective countries and are deemed as assessed unless opened for reassessment by the tax authorities. Additionally, tax clearance has been issued for UBL UK, UBTL and USAG till the accounting year 2016, 2015 and 2017 respectively. There are no material tax contingencies in any of the subsidiaries.

24.3.1 These mainly represent counter claims filed by the borrowers for restricting the Group from disposal of assets (such as mortgaged / pledged assets kept as security).

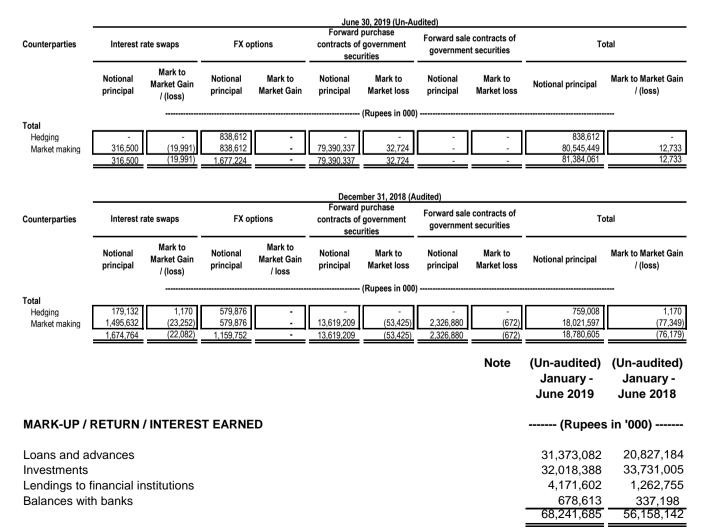

Based on legal advice and / or internal assessments, management is confident that the matters will be decided in favour of the Group and the possibility of any outcome against the Group is remote and accordingly no provision has been made in these consolidated financial statements.

- 24.3.2 Penalties amounting to Rs. 4.058 billion have been levied by the FE Adjudication Court of the State Bank of Pakistan relating to alleged contraventions of the requirements of foreign exchange regulations with respect to issuance and certification of E-Forms by the Bank to certain customers (exporters) who failed to submit the export documents there against. Consequently, foreign exchange on account of export proceeds have not been repatriated. The Bank maintains that it fully discharged its liability, in accordance with the law and has filed a civil suit in the High Court of Sindh challenging the levy of the penalty. The High Court has granted a stay on action being taken against the Bank. The management, based on the advice from legal counsel, is confident that the view of the Bank will prevail and the Bank will not be exposed to any loss on this account.
- **24.3.3** Punjab Revenue Authority issued show cause notice to UBL Fund Managers Limited requiring them to pay sales tax under Punjab sales tax on service act 2012 on management fee earned in Punjab from May 22, 2013. The Company has filed a petition on July 8, 2015 in the High Court of Sindh. A favorable outcome of this petition is expected.

36. FAIR VALUE OF FINANCIAL INSTRUMENTS

The fair value of quoted securities other than those classified as held to maturity, is based on quoted market price. Quoted securities classified as held to maturity are carried at cost. The fair value of unquoted equity securities, other than investments in associates, is determined on the basis of the break-up value of these investments as per their latest available audited financial statements.

The fair value of unquoted debt securities, fixed term loans, other assets, other liabilities, fixed term deposits and borrowings cannot be calculated with sufficient reliability due to the absence of a current and active market for these assets and liabilities and reliable data regarding market rates for similar instruments.

In the opinion of the management, the fair value of the remaining financial assets and liabilities are not significantly different from their carrying values since these are either short-term in nature or, in the case of customer loans and deposits, are frequently repriced.

36.1 The Group measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

NOTES TO THE CONSOLIDATED CONDENSED INTERIM FINANCIAL STATEMENTS (UN-AUDITED) FOR THE SIX MONTHS ENDED JUNE 30, 2019

- **36.3** Certain categories of fixed assets (land and buildings) and non-banking assets acquired in satisfaction of claims are carried at revalued amounts (level 3 measurement) determined by professional valuers based on their assessment of the market values as disclosed in note 11 and note 15.
- 36.4 Valuation techniques used in determination of fair values within level 2 and level 3 are as follows.

Debt Securities

The fair value of Federal Government securities is determined using the prices / rates available on Mutual Funds Association of Pakistan (MUFAP) and the fair value of other corporate and foreign government securities is determined using the rates from Reuters / Bloomberg.

Units of mutual fund

The fair values of investments in units of mutual funds are determined based on their net asset values as published at the close of each business day.

Derivatives

The fair valuation techniques include forward pricing and swap models using present value calculations.

Fixed assets and non-banking assets acquired in satisfaction of claims

Land, buildings and non-banking assets acquired in satisfaction of claims are revalued on a periodic basis using professional valuers. The valuation is based on their assessment of the market value of the assets. The effect of changes in the unobservable inputs used in the valuations cannot be determined with certainty. Accordingly, a qualitative disclosure of sensitivity has not been presented in these consolidated condensed interim financial statements.

The SBP through its BSD Circular No. 07 dated April 15, 2009 has prescribed the minimum paid-up capital (net of accumulated losses) for Banks to be raised to Rs. 10,000 million by the year ending December 31, 2015. The paid-up capital of the Bank as at June 30, 2019 stood at Rs. 12,241.798 million (December 31, 2018: Rs. 12,241.798 million) and is in compliance with SBP requirements. Banks are also required to maintain a minimum Capital Adequacy Ratio (CAR) of 10.0%, capital conservation buffer of 1.90% and High Loss Absorbancy Requirement of 1.5% of the risk weighted exposures of the Bank. Further, under Basel III instructions, banks are also required to maintain a Common Equity Tier 1 (CET 1) ratio and Tier 1 ratio of 6.0% and 7.5%, respectively, as at June 30, 2019. As at June 30, 2019, the Bank is fully compliant with prescribed ratios as the Bank's CAR is 17.26% whereas CET 1 and Tier 1 ratios stood at 12.46% and 13.49% respectively. The Bank and its individually regulated operations have complied with all capital requirements throughout the period / year.

Furthermore, under the SBP's Framework for Domestic Systematically Important Banks (D-SIBs) introduced vide BPRD Circular No. 04 of 2018 dated April 13, 2018, UBL has been designated as a D-SIB. Under this framework, the Bank is required to meet the Higher Loss Absorbency (HLA) capital charge of 1.5%, in the form of Additional CET 1 capital, on a standalone as well as consolidated level during 2019. As per SBP's designation of D-SIBs for the year 2019, the LHA capital charge required to be maintained by UBL has been reduced from 1.5% to 1.0%. The revised HLA capital charge will be applicable from March 31, 2020 and will remain effective till next D-SIB designation is announced by the State Bank of Pakistan.

Under the current capital adequacy regulations, credit risk and market risk exposures are measured using the Standardized Approach and operational risk is measured using the Basic Indicator Approach. Credit risk mitigants are also applied against the Bank's exposures based on eligible collateral under comprehensive approach.

40.9 Disclosures for profit and loss distribution and pool management

UBL Ameen (the Mudarib) Operates different pools which accept deposits on the basis of Mudaraba from depositors (Rabbulmaal) and accepts funds from inter-bank under Mudaraba, Musharakah and Wakalah modes. Pool funds are invested in Islamic modes of financing and investments.

Ameen Daily Munafa Account (ADMA) Pool

The ADMA pool consists of deposits for the ADMA product. The net return on the pool is arrived at after deduction of direct costs from the gross return earned on the pool. From the net return, profit is paid to the Mudarib in the ratio of the Mudarib's equity in the pool to the total pool. The balance represents the distributable profit.

Special Pool(s)

Separate pool(s) are created where the customers desire to invest in high yield assets. These pool(s) rates are higher than the general pool depending on the assets. In case of loss in special pool, the loss will be borne by the special pool members. The net return on the pool is arrived at after deduction of direct costs from the gross return earned on the pool. From the net return, profit is paid to the Mudarib in the ratio of the Mudarib's equity in the pool to the total pool. The balance represents the distributable profit.

Islamic Export Refinance Pool(s)

Specific pools are operated for funds acquired / accepted from the State Bank of Pakistan for Islamic Export Refinance to the Bank's customers and liquidity management respectively under the Musharakah / Modaraba modes.

Treasury Pool(s)

Treasury Pools are managed on the basis of Musharakah, Mudarabah and Wakalah, wherein UBL Ameen and FI share actual return earned by the pool according to pre-defined profit sharing ratio and Wakalah fee.

General Pool

The General pool consists of all other remunerative deposits. UBL Ameen (the Mudarib) accept deposits on the basis of Mudaraba from depositors (Rabbulmaal). The net return on the pool is arrived at after deduction of direct costs from the gross return earned on the pool. The entire net return after paying equity share to Mudarib is considered as distributable profit of the pool.

For all pools, the Mudarib's share is deducted from the distributable profit to calculate the profit to be allocated to depositors. The allocation of the profit to various deposit categories is determined by the amount invested in that category relative to the total pool, as well as by the weightage assigned to the various deposit categories.

The Bank managed following pools during the period.
