Index description

The Bloomberg Barclays US Liquid Corporates 1-5 Year Total Return Index is an index weighted by market capitalization. The Index represents liquid corporate bonds with a time to maturity of at least 1 year, but no more than 5 years, issued by investment grade companies. The bonds are valued daily based on their bid price. New bonds are included at their ask price and then removed at the bid price as part of the monthly index rebalancing.

Risks

This UBS Exchange Traded Fund invests primarily in corporate bonds, which are included in the Bloomberg Barclays US Liquid Corporates™ 1-5 Year Index. Investors require a corresponding risk tolerance and capacity. All investments are subject to market fluctuations. Every fund has specific risks, which may significantly increase under unusual market conditions. The fund's assets are passively managed. As a result, the net asset value of the fund is directly dependent on the performance of the underlying index. Losses that could be avoided via active management will not be offset.
