Statutory Auditor's Certificate relating to the composition of assets

at 30 June 2020

In our capacity as the statutory auditor of the R-CO SICAV, and in accordance with the provisions of article L. 214-24-49 of the French Monetary and Financial Code relative to the verification of the composition of assets, we have drawn up this certificate pertaining to the information contained in the composition of assets of the R-co Conviction Credit Euro (formerly R-CO EURO CREDIT) sub-fund as at 30 June 2020 attached hereto.

This information was prepared under the responsibility of the SICAV on the basis of information available in the changing context of the COVID-19 crisis. It is our duty to give an opinion on the consistency of the information contained in the composition of assets with the knowledge we have of the UCI acquired during our assignment to certify the financial statements.

We have carried out the verifications we deemed necessary in accordance with the professional standards and doctrine of the French National Institute of Statutory Auditors (*Compagnie Nationale des Commissaires aux Comptes*) related to this assignment. These verifications, which constitute neither an audit nor a limited review, consisted mainly in carrying out analytical procedures and interviews with the persons who produce and check the information given.

Based on our work, we have no observations to make about the consistency of the information contained in the document attached with the knowledge we have of the UCI acquired during our assignment to certify the financial statements.
