

Important information

- The Fund invests primarily in global equities. Equity investments could be volatile and subject to high risk of loss. The Fund invests in a concentrated portfolio which can be more volatile than more broadly diversified portfolios.
- The Fund may use derivatives for hedging and/or efficient portfolio management purposes and may be exposed to significant risk of loss when the use becomes ineffective.
- In adverse situations, the Fund may suffer significant losses. It is possible that the original amount you invested could be lost.
- Investors should not solely rely on this document to make investment decisions.

Global Dynamic Fund
