### Disclaimer

This Factsheet is a financial promotion and has been produced by Baker Steel Capital Managers LLP (a limited liability partnership registered in England, No. OC301191 and authorised and regulated by the Financial Conduct Authority) on behalf of the ES Baker Steel Gold & Precious Metals Fund ("the Fund"). Full details of the Fund, including risk warnings, are published in the Fund's Prospectus and the Key Information Documents (KID) which are available on request and at [www.equitytrustees.com](http://www.equitytrustees.com). We strongly recommend prospective investors seek independent professional advice prior to investing. This document does not constitute or form part of any offer to issue or sell, or any solicitation of any offer to subscribe or purchase any shares or any other interests nor shall it or the fact of its distribution form the basis of, or be relied on in connection with, any contract therefor. The distribution of this information does not constitute or form part of any offer to participate in any investment. This report does not purport to give investment advice in any way. Past performance should not be relied upon as an indication of future performance. Future performance may be materially worse than past performance and may cause substantial or total loss. Some figures are approximate and are for information only, being drawn from different sources. Data and statements are as at end of reporting period unless otherwise stated. The Fund is authorised and regulated in the United Kingdom by the Financial Conduct Authority. Investors should be aware that where a fund and / or share class are denominated in a currency other than investors' home state currency, the fund's / share class's returns will be subject to currency fluctuations which may increase or decrease overall returns. The value of underlying fund investments denominated in another currency may also rise and fall due to exchange rate fluctuations causing the returns of the fund in its base currency to increase or decrease.
