- The Fund invests at least 80% in equities or equity related instruments of (i) companies having their registered office in China and Hong Kong; (ii) companies that do not have their registered office in China and Hong Kong but do most of their business, either directly or through subsidiaries, in China and Hong Kong. The Fund may invest in China A-Shares, directly through eligible exchanges or indirectly through derivative instruments.
- Investments involve varying degree of investment risks (e.g. liquidity, market, economic, political, regulatory, taxation, financial, interest rate, hedging and currency risks). In extreme market conditions, you may lose your entire investment.
- Investments in financial derivatives instruments ("FDIs") (such as futures, options, forwards and warrants) involve specific risks (e.g. counterparty, liquidity, leverage, volatility, valuation, short position and over-the-counter transaction risk). The Fund may use FDIs to reduce risk and to manage the Fund more efficiently.
- The Fund's investments are concentrated in China and Hong Kong and may subject to higher concentration risk.
- The Fund may invest in China securities i.e. China A-Shares and China A-Shares access products, and may be exposed to currency, political, taxation and market risks.
- The Fund may invest in emerging markets which may involve increased risks. These investments may be less liquid and more volatile.
- The investment decision is yours. If you are in any doubt about the contents of this document, you should seek independent professional financial advice.
- Investors should not only base on this document alone to make investment decisions and should read the offering documents including the risk factors for further details.

Investment Objective and Strategy

The Fund aims to provide capital growth over the long term. The Fund invests at least 80% of its assets in a concentrated portfolio of shares (equities) and equity-related securities of companies, of any size, in any industry, in China or Hong Kong. Companies will have their registered office in or do most of their business (directly or through subsidiaries) in this region. The Fund may invest in derivatives (complex financial instruments) and also up to 50% of its assets in China A Shares.
