

Invesco Supplementary Information Document (SID)

This SID was updated in September 2019. It is for UK based investors only and applies to investments in the sub-funds of Invesco Funds, SICAV, domiciled in Luxembourg, managed by Invesco Management S.A. and registered for public distribution in the UK.

Please ensure this document is read in conjunction with the relevant fund and share class-specific Key Investor Information Document (KIID).

What are the Key Investor Information Documents (KIIDs) and Supplementary Information Document (SID)?

The KIIDs and SID are essential documents available to all investors. The KIIDs contain details of the investment objective, charges and risks for our funds. The KIID is aimed at helping you assess whether a particular fund meets your needs. The SID comes in a standardised format and provides additional useful information you should be aware of before investing with us.

When considering an investment in any of our funds, you should read the KIID and SID carefully so that you understand what you are buying, and then keep them safe for future reference. To make sure you have the most up-to-date version of the relevant KIID(s) and SID, visit our website (www.invesco.co.uk) or contact us.

About your investment
