

# **Invesco ASEAN Equity Fund**

30 November 2020

Morningstar Rating™\* \*\*\*

### Important Information

- The Fund invests primarily in equity or equity related securities with exposure to ASEAN countries. Investors should note the emerging markets risk, liquidity risk, concentration risk of investing in equity or equity related securities with exposure to ASEAN countries, currency exchange risk, equities risk, volatility risk, and general investment risk.

  Financial derivative instruments (FDI) may be used for efficient portfolio management purposes or to hedge or reduce the overall risk of investments. Risks associated with FDI include counterparty/credit risk, liquidity risk, valuation risk, volatility risk and over-the-counter transaction risk. The leverage element/component of a FDI can result in a loss significantly greater than the amount invested in the FDI by the Fund. Exposure to FDI may lead to a high risk of significant loss by the Fund.

  The value of the Fund can be volatile and could go down substantially.
- Investors should not base their investment decision on this material alone.

### Objectives and investment strategy

Aims at achieving long-term capital growth by investing in ASEAN countries. ASEAN countries are defined as the members of the Association of South East Asian Nations. The fund's investment emphasis is on geographical asset allocation without proportional limit for any one country.
