

Important information

- The Fund invests in limited geographical locations (i.e. Europe) which can be more volatile than more broadly diversified portfolios. Equity investments could be volatile and subject to high risk of loss. The Fund may also be subject to currency risk and small companies risk.
- The Fund may hold investments exposed to economic conditions in Europe, particularly in eurozone and may be subject to increased risk of sovereign default, foreign exchange fluctuation, volatility and market illiquidity.
- The Fund may use derivatives for hedging and/or efficient portfolio management purposes and may be exposed to significant risk of loss when the use becomes ineffective.
- Portfolio Currency Hedged Share Class ("PCHSC") may be subject to risks arising from uncertainty in interest rate and foreign exchange.
- In adverse situations, the Fund may suffer significant losses. It is possible that the original amount you invested could be lost.
- Investors should not solely rely on this document to make investment decisions.
