The portfolio’s base currency is SGD and foreign currency-denominated securities will be fully hedged back to SGD except for a 5% frictional currency limit (to account for possible deviations from a 100% hedge). VALUATIONS AND EXITING FROM THIS INVESTMENT

HOW OFTEN ARE VALUATIONS AVAILABLE?

The Sub-Fund will be valued on each Dealing Day. The indicative prices of Units are quoted on a historical pricing basis and will be determined at the close of business of the Dealing Day immediately preceding the date of the issuance of the Units (subject to the publication policies of the relevant publisher).

The prices will be published on our website at www.lionglobalinvestors.com. The prices may also be published in The Straits Times and The Business Times and selected major wire services or such other sources as we may decide upon.

HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

Cooling Off Period

If you are subscribing for Units in the Sub-Fund for the first time, you may cancel your subscription of Units within 7 calendar days from the date of subscription by submitting a Notice to Cancel Form to us or our authorised distributors, subject to cancellation terms and conditions. Subject to the provisions of the Deed, you will be refunded the lower of the market value of the Units held on the day of receipt and acceptance of such form or the original amount paid by you. Where the market value of the Units held is greater than the original amount paid by you, we are not obliged to pay the excess amount to you and the excess amount shall be retained in the Sub-Fund.

Realisation

You may realise your holdings in the Sub-Fund or Class (as the case may be) on any Dealing Day by submitting a realisation form to us or our appointed agents or distributors.

As Units are realised on a historical pricing basis, the realisation price of Units is known at the time of realisation. If your realisation form is received and accepted by us by the dealing deadline of 3 p.m. Singapore time on a Dealing Day, your Units shall be realised at that Dealing Day's realisation price. Realisation forms received after the dealing deadline or on a day which is not a Dealing Day shall be treated as having been received on the next Dealing Day.

You will receive your realisation proceeds within 7 Business Days from the receipt and acceptance of the realisation form by us.

Refer to the Sections 13 and 15 of the Prospectus for further information on valuation and exiting from the product.

⁴ Your financial adviser/distributor is required to disclose to you the amount of trailer fee it receives from the Manager.

**You should note that the notional realisation price is for illustration only and is not indicative of any future or likely performance of the Sub-Fund. You should note that in determining the net asset value of the Sub-Fund, the unquoted investments held by the Sub-Fund will be valued on an amortised cost basis. Under certain circumstances, we may elect that the realisation price in relation to all (but not some only) of the Units relating to the Sub-Fund falling to be realised by reference to that relevant day shall be the price per Unit which, in our opinion, reflects a fairer value for the deposited property of the Sub-Fund having taken into account the necessity of selling a “material proportion” (as defined under Section 13.6 of the Prospectus) of the investments at that time constituting part of the deposited property of the Sub-Fund. Such realisation price may not be based on the net asset value per Unit at the applicable Valuation Point. Please refer to Section 21.6 of the Prospectus for more information.*

*** No Realisation Charge is presently imposed.*
