## Investment Objective

The investment objective of the E Fund (HK) Greater China Leaders Fund (“Sub-Fund”) is to achieve medium to long-term capital appreciation primarily through equity-based investments in equity and equity-related securities of “leading” companies which are incorporated in, have their area of primary activity in or are related to the growth of the PRC economy.

The Sub-Fund will invest up to 100% of its Net Asset Value in equity or equity-related securities of companies whose activities are closely related to the economic development and growth of the PRC. The Sub-Fund places emphasis on sectors and “leading” companies that, in the opinion of the Manager, exhibit growth investment characteristics, such as above-average growth rates in earnings or sales and high or improving returns on capital. Such companies may also have attained or exhibited potential to attain above average market share in the geography they operate, or in one or more products or services within its principal sector.
