

# Invesco Pan European Small Cap Equity Fund

31 January 2021

Morningstar Rating™

## Important Information

- The Fund invests in a portfolio of investments in smaller companies of any European stock market.
- Investors should note the risk of investing in small companies, risk of Eurozone crisis, concentration risk of investing in smaller companies of any European stock markets, currency exchange risk, equities risk, volatility risk, and general investment risk.
- Financial derivative instruments (FDI) may be used for efficient portfolio management purposes or to hedge or reduce the overall risk of investments. Risks associated with FDI include counterparty/credit risk, liquidity risk, valuation risk, volatility risk and over-the-counter transaction risk. The leverage element/component of a FDI can result in a loss significantly greater than the amount invested in the FDI by the Fund. Exposure to FDI may lead to a high risk of significant loss by the Fund.
- The value of the Fund can be volatile and could go down substantially.
- Investors should not base their investment decision on this material alone.

## Objectives and investment strategy

The Fund aims to provide long-term capital growth primarily (at least 70% of the net asset value of the Fund) from a portfolio of investments in smaller companies of any European stock market.
