IMPORTANT:

- The Fund's investments in equities could incur significant losses due to higher fluctuation of equity values. The Fund invests in certain emerging markets and may be subject to political, tax, economic, social and foreign exchange risk. Additional risk relate to repatriation of capital from investment in some restricted equity securities. The Fund's investments are concentrated India. This may result in greater volatility than more broad-based investments.
- The Fund is subject to currency risk, small-cap companies' volatility and liquidity risks and securities lending counterparty risk.
- The Fund may use derivatives for hedging and for investment purposes. However, usage for investment purposes will not be extensive. The Fund may suffer losses from its derivatives usage.
- The value of the Fund can be volatile and can go down substantially within a short period of time. It is possible that a certain amount of your investment could be lost.
- Investors should not make investment decisions based on this document alone. Investors should refer to the Prospectus and Key Facts Statement for details including risk factors.
