Important Notice & Disclaimers

A prospectus for the fund (the "Fund") may be obtained from the Manager or any of its appointed distributors. Investors should read the prospectus before deciding whether to subscribe for or purchase units in the Fund ("Units"). All applications for Units must be made on application forms accompanying the prospectus or otherwise as described in the prospectus. Past performance of the Fund(s) or the Manager and any prediction, projection or forecast on the economy or markets are not necessarily indicative of the future or likely performance of the Fund or the Manager. Any extraordinary performance may be due to exceptional circumstances which may not be sustainable. The value of Units and any income from the Fund may fall as well as rise. The above information is strictly for general information only and must not be construed as an offer or solicitation to deal in Units, nor a recommendation to invest in any company mentioned herein. Investments in unit trusts are not obligations of, deposits in, or guaranteed or insured by United Overseas Bank Limited ("UOB"), UOB Asset Management Ltd ("UOBAM"), or any affiliates or distributors. The Fund may use or invest in financial derivative instruments and you should be aware of the risks associated with investments in financial derivative instruments which are described in the Fund's prospectus.

Investors should note that the Fund is not like a conventional unit trust in that an investor cannot redeem his Units directly with UOBAM and can only do so through the participating dealers¹ (either directly or through a stockbroker) if his redemption amount satisfies a prescribed minimum that will be comparatively larger than that required for redemptions of units in a conventional unit trust. An investor may therefore only be able to realise the value of his Units by selling the Units on the Singapore Exchange Limited ("SGX"). Investors should also note that any listing and quotation of Units on the SGX does not guarantee a liquid market for the Units.

An investment in unit trusts is subject to investment risks and foreign exchange risks, including the possible loss of the principal amount invested. Investors may wish to seek advice from a financial adviser before making a commitment to invest in Units. In the event an investor chooses not to seek advice from a financial adviser, the investor should consider carefully whether the Fund is suitable for him.

The Fund is not in any way sponsored, endorsed, sold or promoted by SGX and/or its affiliates and SGX and/or its affiliates make no warranty or representation whatsoever, expressly or impliedly, either as to the results to be obtained from the use of the ChiNext Index (the "Index") and/or the figure at which the Index stands at any particular time on any particular day or otherwise, or as to the accuracy of the Index or how it is administered, calculated and published by SGX. SGX shall not be liable (whether in negligence or otherwise) to any person for any error in the Fund and the Index and shall not be under any obligation to advise any person of any error therein. "SGX" is a trade mark of SGX and is used by the Index under license. All intellectual property rights in the Index vest in SGX.
