MAY 2021 FACTSHEET

Unless otherwise stated, Performance, Portfolio Breakdowns and Net Asset information as at: 31-May-2021. All other data as at 13-Jun-2021.

INVESTMENT OBJECTIVE

The Dynamic High Income Fund follows a flexible asset allocation policy that seeks to provide a high level of income. In order to generate high levels of income the Fund will seek diversified income sources across a variety of asset classes, investing significantly in income producing assets such as fixed income transferable securities, including corporate and government issues which may be fixed and floating and may be investment grade, sub-investment grade or unrated, covered call options and preference shares. The Fund will use a variety of investment strategies and may invest globally in the full spectrum of permitted investments including equities, equity-related securities, fixed income transferable securities, units of undertakings for collective investment, cash, deposits and money market instruments. Currency exposure is flexibly managed.
