

KEY INFORMATION FOR THE INVESTOR

This document provides essential information to investors in this fund. It is not a promotional document. The information that it contains is provided to you in accordance with a legal obligation in order to allow you to understand what an investment in this fund involves and what risks are associated with it. It is recommended that you read it in order to make an informed decision to invest or not.

Lyxor CAC 40 (DR) UCITS ETF - Dist (the "Fund")

ISIN: FR0007052782 - Collective investment scheme (FCP) domiciled in France.

Managed by Lyxor International Asset Management S.A.S. ("LIAM")

Investment objectives and policies

The investment objective is to track both the upward and downward evolution of the CAC 40 Gross Total Return Index (Bloomberg code: CACR) representative of the leading 40 companies listed on Euronext Paris ("Benchmark Index").

The anticipated ex-post tracking error under normal market conditions is 0.05%.

The Fund intends to achieve its objective via direct replication, that is, by investing primarily in Benchmark Index components.

The Fund may use a sampling technique to optimize Benchmark Index replication, temporary guaranteed security transfers. Any use of these techniques is indicated at www.lyxoretf.com. The current composition of the securities portfolio held by the Fund is available at www.lyxoretf.com.

The net asset value is also indicated on the Reuters and Bloomberg pages of the Fund and may also be stated on the websites of stock markets where the Fund is listed.

The Fund is eligible for the French Equity Savings Scheme (PEA), and as a consequence, a minimum of 75% of its assets are invested in diversified equities issued in the European Union.

The unit currency is the euro (EUR).

- **Financial instrument investments:** international equities, UCITS, and other financial instruments.
- **Recommended investment period:** this Fund may not be appropriate for investors who plan to withdraw their investment within a timeframe of less than 5 years.
- **Classification:** French equities.
- **Dividends policy:** the Fund's distributable funds shall be distributed to unit-holders and/or capitalised.
- **Net asset value:** daily providing the relevant stock markets are open and orders can be covered.
- **Redemptions:** investors may redeem their units on the primary market on every valuation day before 17.00, and sell their units on the secondary market at any time during trading hours on the exchanges where the Fund is listed.

Risk and return profile

The risk and return category given above is based on the historical performance of the fund's component assets or its benchmark. As such, this risk estimation cannot be a reliable indicator of future risk, and it could change over time. The lowest category does not mean a risk-free investment. The Fund has been classified in category 6. The Fund has been classified as category 6 given its exposure to the Benchmark Index. Category 6 indicates that it is possible to suffer a very large capital loss, under normal market conditions, as the value of your investment could fluctuate strongly and quite quickly both upward and downward each day.

Material risks for the Fund not covered by the above indicator, which could lead to a decrease in the net asset value of the Fund, and which the Fund is authorised to disclose in this document (for more details about risks, please refer to the Risk Profile section of the prospectus): Not applicable

Costs

The fees you pay cover the Fund's management costs, including promotion and distribution costs. These fees are deducted from the potential performance of your investment.

For more information concerning costs, please refer to the Costs section of the Fund's prospectus, which is available at www.lyxoretff.com.

One-off fees deducted before or after investment	
Entry fees only applicable on the primary market:	Unearned by the Sub-fund: at the most, the higher of (i) €50,000 per subscription request and (ii) 5% of the net asset value per unit multiplied by the number of units subscribed. Earned by the Fund: maximum 0.50% of the net asset value per unit multiplied by the number of units subscribed.
Exit fees only applicable on the primary market:	Unearned by the sub-fund: at the most, the higher of (i) €50,000 per redemption request and (ii) 5% of the net asset value per unit multiplied by the number of units redeemed.
