Credit ratings are internal and assigned by Canada Life Asset Management. Ratings will generally be in line with the major external rating agencies and should not be higher than the highest of these. Canada Life Asset Management will assign ratings to bonds that do not have an external rating. The comparator benchmark assists investors with evaluating the fund's performance against corporate bond returns. This benchmark has been chosen as it is believed to be appropriate given the fund's investment objective and policy. The Distribution Yield reflects the amounts that may be expected to be distributed over the next twelve months as a percentage of the mid-market unit price of the fund as at the date shown. It is based on a snapshot of the portfolio on that day. It does not include any preliminary charges and investors may be subject to tax on distributions.
